i4Life Fundraising Appeal

We need your help to ensure i4Life can continue to deliver a wide range of Primary Health Care services to a marginalised population of 80,000 Zambians.

Please consider making an ongoing contribution to the charity's work by setting up a regular standing order of 5 euros per week. Your contribution will make such a beneficial impact on the care of the community.

i4Life in partnership with the Zambian Ministry of Health works in a peri-urban township outside Lusaka, Zambia. i4life's services include emergency and acute care, ante-natal, post-natal care HIV testing and treatment, nutrition, under 5s clinics, and vaccinations.
